Commissioner for Patents

The reply brief filed 04/16/2009 has been entered and considered. The application has been forwarded to the Board of Patent Appeals and Interferences for decision on the appeal.

Appellant makes the following comment on last paragraph of page 7 of the Reply Brief: "We agree with Examiner's Answer on page 18, last line - page 19, line 2 [...]." This is an incorrect statement because the comments at page 18, last line - page 19, line 2 of Examiner's Answer are actually Appellant's comments, as should be easily clear upon inspection. In effect, it seems as if Appellant agrees with his/her own comments.
